**REPAIRS TO I-93 BRIDGE OVER CONNECTICUT RIVER IN LITTLETON**  
***WILL REQUIRE DAILY LANE RESTRICTION FOR THREE WEEKS***

The New Hampshire Department of Transportation announces bridge joint repairs are scheduled to begin Friday, September 19, 2003 on the northbound Interstate 93 bridge (Senator Andrew Poulsen Bridge) over the Connecticut River in Littleton.

This bridge repair work will require traffic on the bridge to be restricted to one lane daily from 7:00 am to 3:30 pm for approximately three weeks.

Warning signs, barrels and concrete barriers will alert motorists and guide them through the work zone. Minor delays can be expected.
